WELCOME TO ASTON HOUSE CARE HOME

Sitting in a quiet residential community in Hayes, Middlesex, Aston House is a friendly purpose-built care home offering residential and nursing dementia care for up to 39 residents.

In addition to our spacious bedrooms, which can be personalised to ensure Aston House truly feels like home, we have a variety of spaces for residents to relax, dine, and socialise, all of which are fully wheelchair accessible.

Our bright and airy garden room and our sunny conservatory are delightful spaces to relax, while we have an enclosed sensory garden for spot of fresh air or to enjoy some gardening. Our on-site hair and beauty salon is perfect for relaxation and pampering.

FACILITIES & LIFESTYLE

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans consider unique medical, personal, and dietary needs, as well as preferences, hobbies, and anything else that can make a stay with us a happy one.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged. While we enjoy celebrating special occasions together, we know the little things can often matter most, which is why our team help residents create a routine that brings them joy.

Aston House offers a fun, safe, and inclusive space for our residents, where kindness and quality care go hand in hand.
